How to use OPAC - KOHA Software

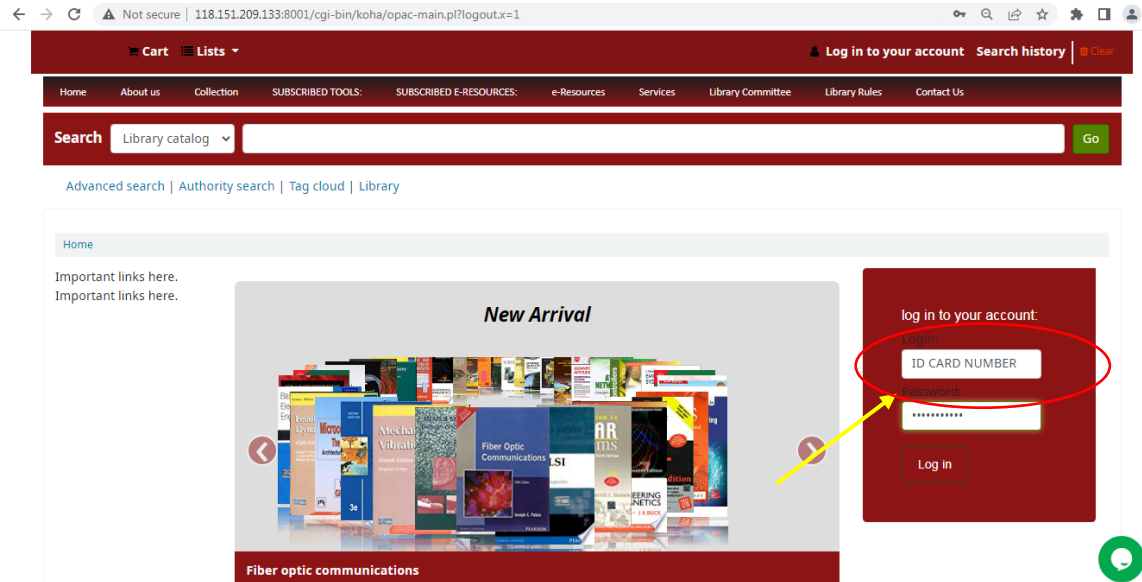

USER MANNUAL

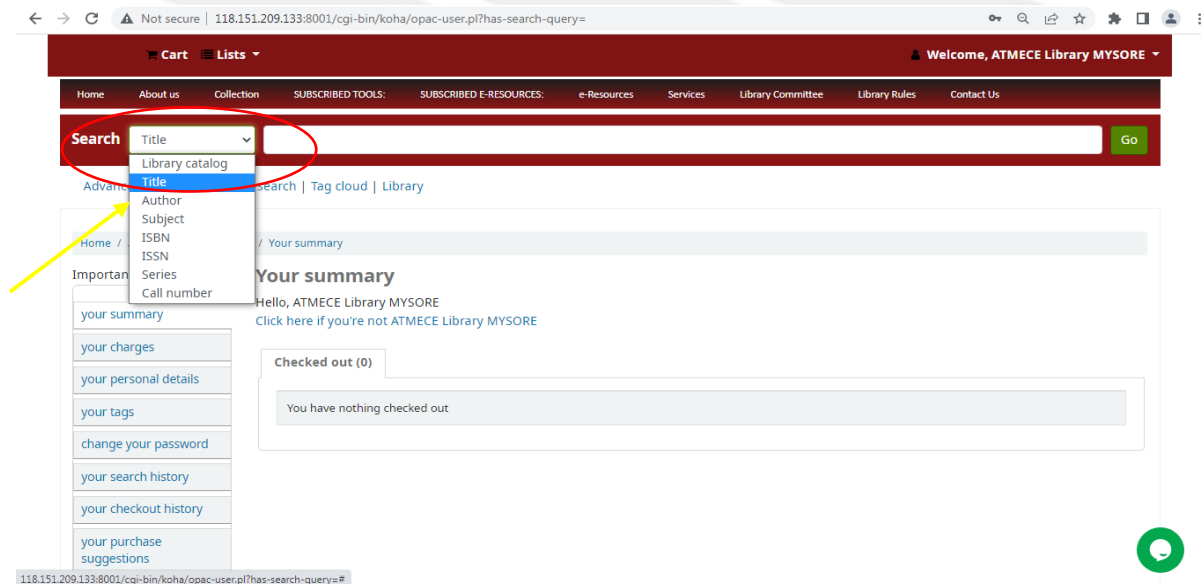

Go to ATME College website, Click on Department, Select Library, then select OPAC-KOHA, click here.

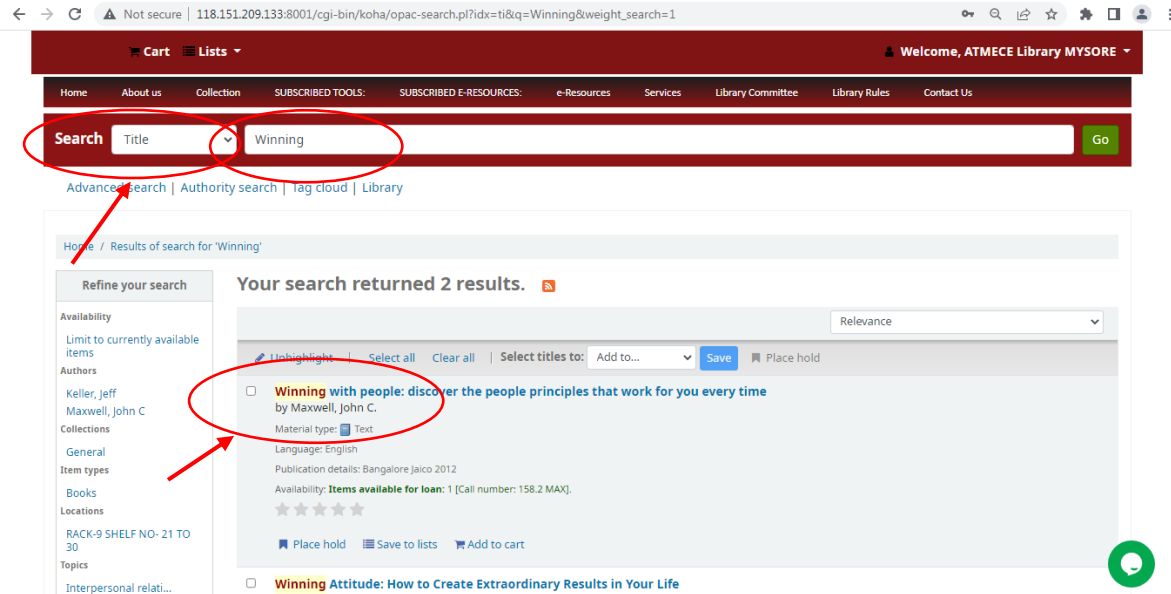

Page will be opened as shown above.

Login into your account by typing login ID as your college ID (staff ID and student ID) and type password as Library@123.

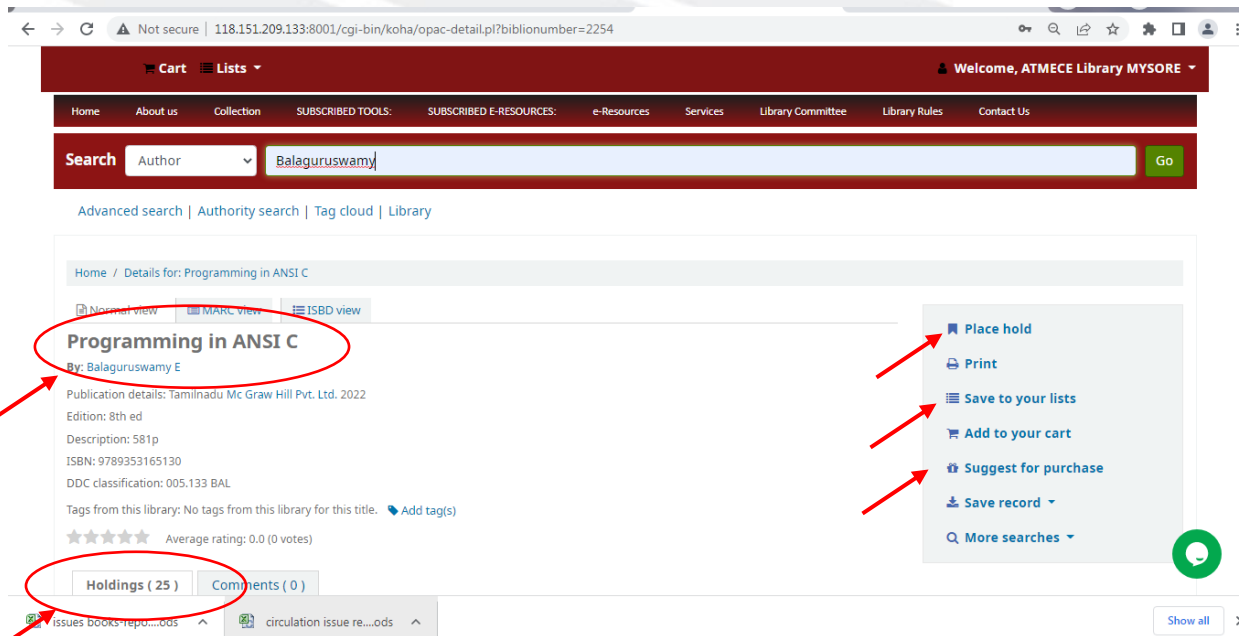

The page will be opened as shown above. Select title/author/subject and search for the books available in the library through OPAC software.

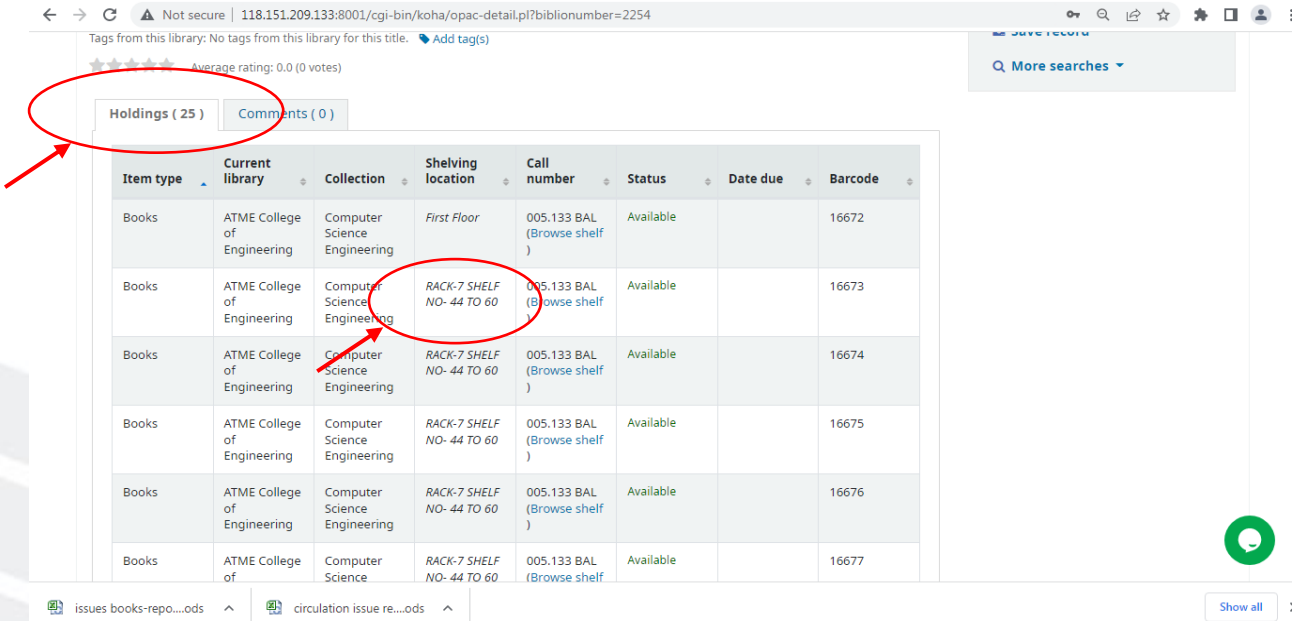

The screenshot shows the ATME Library Mysore search interface. The search bar is set to 'Title' and contains the keyword 'Winning'. The search results page displays 'Your search returned 2 results.' The first result is 'Winning with people: discover the people principles that work for you every time' by Maxwell, John C. The second result is 'Winning Attitude: How to Create Extraordinary Results in Your Life'. The interface includes a 'Refine your search' sidebar on the left and a 'Place hold' button for each result.

If the books are searching with title, type the keywords of the book, it will display the availability of the books related to the keyword in the library.

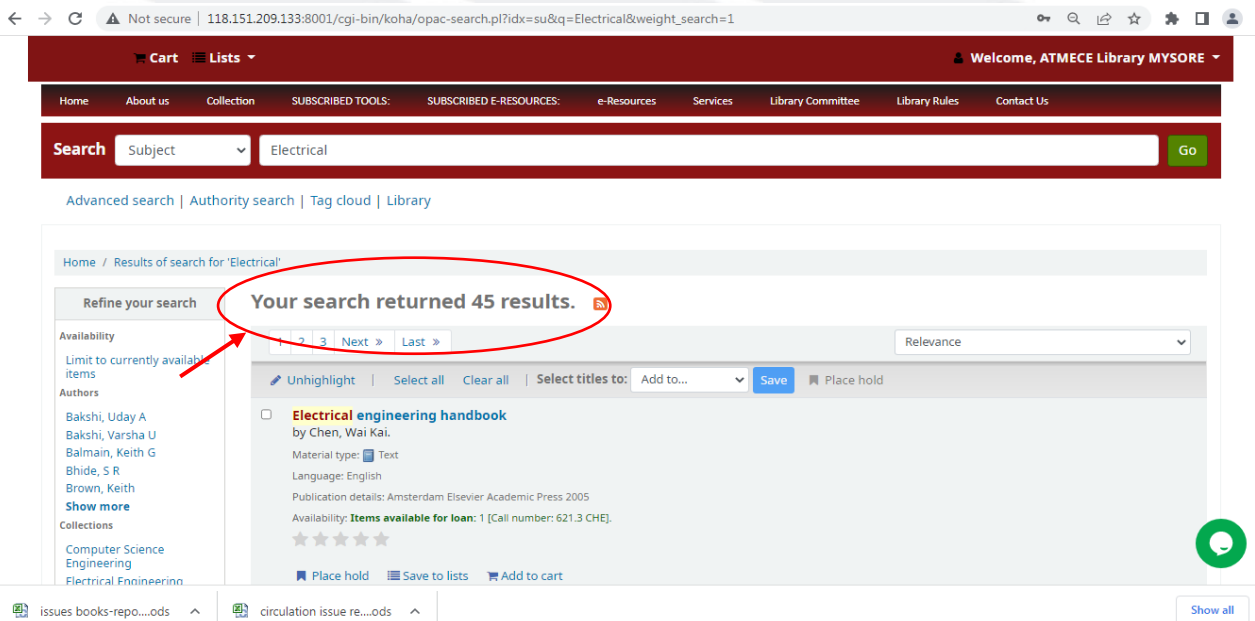

The screenshot shows the ATME Library Mysore book details page for 'Programming in ANSI C' by Balaguruswamy E. The page displays publication details, edition (8th ed), description (581p), ISBN (9789353165130), and DDC classification (005.133 BAL). The page also shows the number of holdings (25) and comments (0). A sidebar on the right contains options: 'Place hold', 'Print', 'Save to your lists', 'Add to your cart', 'Suggest for purchase', 'Save record', and 'More searches'.

Complete details of the books & along with Number of holdings (book copies) will be displayed. Place hold option can be selected and keep books in hold for 3 days. The save option is to save the books for future reference. If the books are not available, suggestion can be given to purchase the books by providing the complete details of the books.

Item type	Current library	Collection	Shelving location	Call number	Status	Date due	Barcode

About The Library

Library is like Knowledge-center and is the heart of the institute. The user's satisfaction is the main motto of library services and it is key success of library. The main role of an engineering college library is to satisfy the needs of its users. ATMECE Library and Information center established in October 2010. The Library attracts students, teachers, researchers, educational administrators and other users from different branches of the college.

The Library is centrally located and the state-of-the-art library spread over 700 Sq. Mtrs in two levels. The ground floor acts as a lending section and first floor acts as a reference section. The reference section with a capacity of about 200 students is set against a vast expanse of greenery and is ideal for students who want to refer books in a serene atmosphere. The primary objective of the library is to support the educational and research programs of the institute by providing physical and online access to information, consistent with the present and the anticipated educational and research functions of the institute.

The Library is well-protected with fire alarm, CCTV-surveillance. It has specialized collections of Books, Journals and resources in Sciences, Engineering and Humanities, ranging from printed books, E-Books, E-Journals, Back volumes and CDs/DVDs. The Library has NPTEL and Edusat Videos. It is a fully automated library predominantly related to Engineering, Technology and allied subjects.

Vision

To be an excellent storehouse for easy access to information resources for Technical learning and research through professional integrity and social responsibility.

Mission
