Memorandum of Understanding

ATME COLLEGE OF ENGINEERING, MYSURU

&

KARNATAKA GERMAN TECHNICAL TRAINING INSTITUTE, MYSURU

16-July-2024

1 Parties

This Memorandum of Understanding (hereinafter referred to as “MOU”) is made and entered into by and between the ATME College of Engineering (ATMECE), whose address is 13th km stone, Mysuru – Kanakapura Road, Mysuru-570028, Karnataka (hereinafter referred to as “First Party”), and the Karnataka German Technical Training Institute (KGTti), Mysuru-570006, Karnataka (hereinafter referred to as “Second Party”).

2 Contents

This MOU contains the following elements.

1. Parties
2. Contents
3. General Objectives of the MOU
4. Period of Validity of MOU
5. Course Deliverables
6. Course Fee and mode of payment
7. Information about the parties
8. Scope of work for both parties
9. Signature of both parties

3 General Objectives

3.1 Industry Ready

The Overall Objective of KGTti is to Provide Skill Development Advanced Technology Hands-on Training to enhance Employment Opportunities.

To make students competent enough to take on real time application work in the field of Industrial Automation that involves PLC, SCADA & Drives. This is intended to support students for good and greater job opportunities and also to reduce the gap between Industries and Engineering

The purpose of this agreement is with reference to defining the areas of Co-operation Benefiting both ATME College of Engineering and KGTTI.

3.2 Sharing of Common Goals

Both “ATMECE, Mysuru” and the organization “KGTTI”, recognize that they share common goals and are desirous to establish, a cooperative arrangement towards strengthening higher education (through curricular, faculty, infrastructure, pedagogy improvements) in line with the diverse Industry’s requirements of relevant practical skill sets in the field of Electrical and Electronics Engineering.

4 Period of Validity of MOU

Two Years from the date of MOU (16th July 2024).

5 Information about the Parties

5.1 First Party

ATME College of Engineering established in the year 2010 and is affiliated to Visvesvaraya Technological University, Belagavi, Karnataka. The college offers engineering education for under graduate program and post graduate program in Engineering. UG programs are accredited by National Board of Accreditation, New Delhi. ATMECE is also accredited by NAAC with “A+” grade. ATME College of Engineering has been awarded with “The Best Emerging private Engineering College in Karnataka” and “Most promising upcoming private Engineering College in Karnataka” for two consecutive years.

5.2 Second Party

Karnataka German Technical Training Institute (KGTTI), an institute under Society for Karnataka German Multi Skill Development Centre (KGMSDC), established by Government of Karnataka, under funding from Government of India & Government of Karnataka, and having Technical Collaboration with German International Services (GIZ-IS), having its office at CoE Building, Bannerughatta Road, Behind Women’s ITI, Kaushalya Bhavan Campus, Dairy Circle, Bengaluru 560 029, India (hereinafter referred to as KGTTI), represented by its Director on the one part

6 Course Deliverables

The list of courses offered, eligibility criteria and fee structure is appended at Annexure-I.

- KGTI will follow its standard methodologies related to conduct, student attendance, globally accepted quality norms, student feedback, internal assessments, examination, evaluation and certification, smooth & effective delivery of course content and competence building of the trainee student.
- The training shall be conducted at KGTI premises or at the premises of the ATME College of Engineering (ATMECE) if the KGTI satisfies itself on the adequacy of the infrastructure to conduct such training programs.
- Subject to availability of adequate infrastructure, KGTI can conduct sandwich courses wherein partial training can be conducted at ATME College of Engineering (ATMECE) premises or any other mutually agreed place with other associated activities conducted at KGTI. The minimum & maximum student batch size for commencing a batch will be decided on mutually agreed numbers and it is as per the available seating capacity at KGTI
- The listed courses can vary from time to time and courses shall be added / deleted based on mutual convenience, in discussion by both the parties.
- The technical support in terms of presentations and learning material shall be provided by KGTI.
- The duration of training course per day is flexible to suit the requirements of the Institution/Students/Participants. This will be in mutual consultation between KGTI and ATME College of Engineering (ATMECE).
- Also, KGTI has an open mind to conduct week-end courses i.e., on Saturday and Sunday provided if full batch size of students in any of the streams that it would like to have the training.

7. Course Fee and mode of payment:

- The course fee at present is as reflected in Annexure – I. for regular programs
- If any changes in course fee in future will be communicated to Institution/Students/Participants.

[Handwritten signature]

[Handwritten signature]
16/17

- KGTTI offers a discount of 20% on the listed course fee to the students of ATME College of Engineering (ATMECE) in minimum number of participants as per the batch size.
- KGTTI shall issue an appropriate invoice/receipt by collecting fees from the Institution/Students/Participants.
- The students will have to pay the course fee at the time of admission either through cash/cheque to KGTTI.
- For SC/ST students course fee is exempted.
- All payments shall be made in favour of the Director, KGTTI - MYSURU.
- ATME College of Engineering (ATMECE) fully understands that the fees charged is a fair estimate of the expenditure incurred by KGTTI for utilizing the infrastructure, designing & developing the program content, acquiring the necessary principal licenses, hardware, providing the course material and for arranging lectures by certified experts in the current technologies including assistance in extending placement to eligible students trained in KGTTI.
- KGTTI shall prepare a consolidated list of students mobilized/referred by ATME College of Engineering (ATMECE) and enrolled to the different courses and make available a copy of the same to ATME College of Engineering (ATMECE) as and when the process of admission for the respective courses are completed.

8 Scope of work for both parties

8.1 Collaboration

Both organizations have agreed to collaborate as follows:

1. To conduct hands on training for ATMECE students on INDUSTRIAL AUTOMATION (PLC, SCADA and Drives), Domestic Electrician, Building Automation Specialist, Home Automation, CNC Machinist, Catia, MasterCAM at KGTTI premises or at the premises of the ATMECE Mysuru.
2. To support for Industrial visits for students related to PLC, SCADA and Drives.
3. To support job placement assistance for the students who received technical training from

8.2 Declaration

Both the parties hereby acknowledge & declare as follows:

1. The ATMECE Mysuru and the company KGTTI Mysuru agree to serve as a link between Industry and Engineering Education for the capacity building and quality learning of students.
2. KGTTI agree to give technical training on INDUSTRIAL AUTOMATION (PLC, SCADA and Drives), Domestic Electrician, Building Automation Specialist, Home Automation, CNC Machinist, Catia, MASTERCAM on commercial basis using their own training modules/accessories for ATMECE students on Industrial Automation for 200 contact hours during semester/semester break at KGTTI premises or at the premises of the ATMECE Mysuru.
3. The technical training on Industrial Automation will be delivered by KGTTI at four levels.
 - Level-1: Basics of PLC
 - Level-2: Advanced PLC
 - Level-3: Basics of SCADA
 - Level-4: Advanced SCADA
4. Each Level training should include two evaluations (preferably Pre Assessment and Post Assessment) and Certificate should be issued for the students having eligibility criteria of KGTTI and satisfy above 85% of Attendance.
5. The Fee structure will be Changed as per the Guidelines from KGMSDC.
6. Each Level training dates mutually agreed will be shared to KGTTI before two weeks of commencement of the training.
7. KGTTI Mysuru agree to offer job placement assistance for the students who received technical training.
8. ATME College of Engineering (ATMECE), Mysuru shall provide class room/lab infrastructure required for training purpose.

COURSES OFFERED

FEES STRUCTURE WITH EFFECT FROM 01 April 2024

Module	Course	No. of Hours	Hours per day	Approximate Duration	Fees in Rs.	Desired Eligibility
MANUFACTURING TECHNOLOGY						
IM	Mastercam 2023	80	4 / 8	1 Month	12,600	
M1+M2	CNC Programming and Operation - TURNING & MILLING	160	4 / 8	8 Weeks	14,300	ITI Fitter / Turner / Machinist / Diploma (Mech) Conventional Machine operators with 10 th Pass Equivalent
M1	CNC Programming and Operation - TURNING	80	4 / 8	4 Weeks	7,200	
M2	CNC Programming and Operation - MILLING	80	4 / 8	4 Weeks	7,700	
IM	AUTOCAD	80	4 / 8	4 Weeks	10,100	ITI Fitter / Turner / Machinist / Diploma (Mech) Conventional Machine operators with 10 th Pass Equivalent
IM	CATIA 3D Experience	100	4 / 8	5 Weeks	14,500	Diploma (Mech.) / B.E. (Mechanical) or Equiva
ELECTRICAL TECHNOLOGY						
M4	Home and Building Installation (Domestic Electrician)	300	4 / 8	4 Months	15,200	SSLC/ITI
M9	Building Automation Technician	60	4 / 8	3 Months	15,400	Completion of M4/Diploma
M10	Building Automation Engineer	240	4 / 8	3 Months	15,400	Completion of M5/Diploma
	Building Automation Specialist	480	4/8	4 Months	19800	Diploma in Mechanical/ Civil/ Industrial/ Instrumentation/ Electrical / Mechatronics Electronics
M5	Industrial Installation, controls & drives (Industrial Electrician)	300	4 / 8	3.5 Months	15200	ITI/Diploma
M15	Industrial Controls (Multi Skill Technician)	456	4 / 8	4 Months	16,500	Completion of M5
